SECONDARY 2 SUBJECT COMBINATION BRIEFING

Friday 11 APRIL 2025

Respect . Integrity . Self-discipline . Empathy

**Address by
HOD/Humanities,
*Mdm Kua See Hong***

Overview

Importance of choosing the right subjects

Subject combinations offered

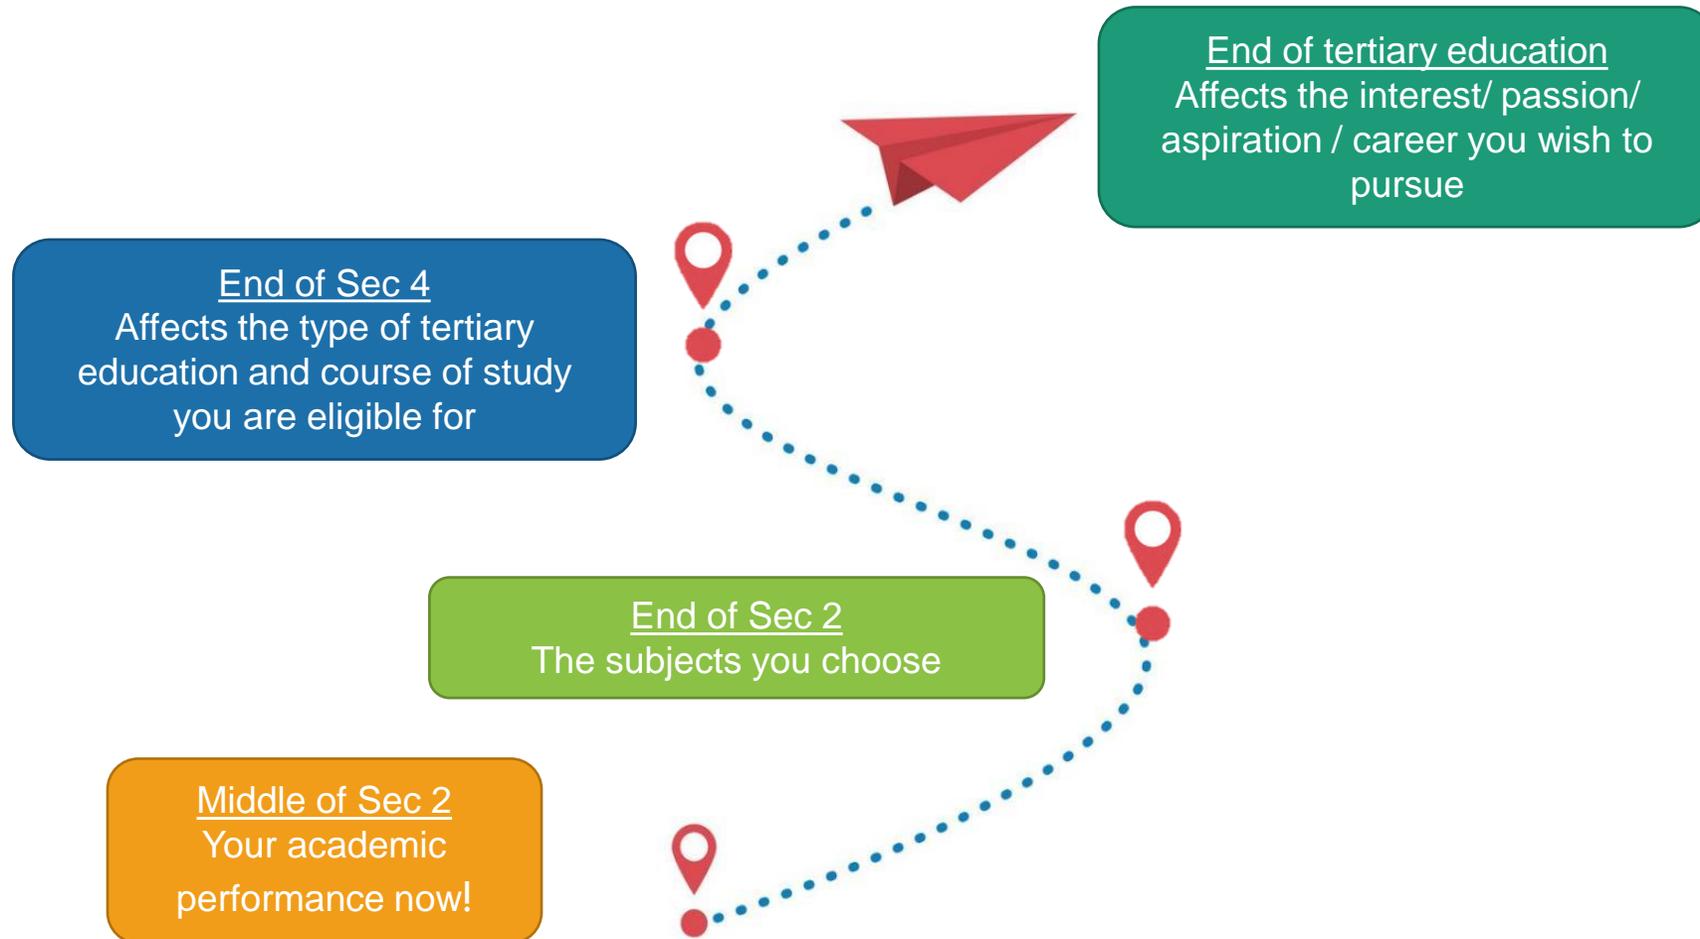

Considerations when exercising choices

Allocation process

Preparation needed

Importance of choosing the right subjects

Key Principles of Upper Secondary Subject Combinations

01

Provide a range of options to cater to student needs and interests

Widen post-secondary pathways for students while ensuring manpower resource is sustainable

02

Nurture student's ownership through exercising their voice and choice

Support informed decision-making based on assessment of demonstrated strengths and identified aspirations

03

Enable each student to succeed based on his/her comparative strengths

Set reasonable criteria for subjects identified to be challenging based on school data

Subject combinations offered in BMSS

- For students taking majority of G3 subjects, they are offered 7 subjects
- For students taking majority G1 and G2 subjects, they are offered 6 subjects
- Some of these subjects are more challenging. Hence, criteria are set to enable each student to succeed based on his/her comparative strengths.

Compulsory Subjects in Upper Sec

- English Language (EL)
- Mother Tongue Languages (MTL)
- Humanities (HUM)
- Mathematics (MA)
- Science (SCI)/Computing

Rationale for 2026 Subject Combinations

G3 SUBJECT COMBINATIONS

Cat	Subject	Characteristics of Options
A	2 Pure Sciences Additional Mathematics*	<ul style="list-style-type: none"> • Caters to students with an interest in Science and Mathematics • Prepares students to pursue Science-based courses at JC or Science-related courses at Polytechnic
B	1 Pure Science & 1 Combined Science Additional Mathematics* <u>Or</u> Principles of Accounts	<ul style="list-style-type: none"> • Caters to students with an interest in both Science and non-Science subjects • Prepares students to pursue Science-based courses at JC or Science-, Business- or Finance-related courses at a Polytechnic
C1 C2	1 Combined Science & 1 Coursework <u>Or</u> 1 Combined Science & Additional Mathematics*	<ul style="list-style-type: none"> • Caters to students with an interest in both Humanities and Science subjects • Prepares students to pursue Arts-based courses at JC# or Science-, Business- or Finance-related courses at a Polytechnic

G2 Subject Combinations

Subject	Options
1	<ul style="list-style-type: none"> English Language*
2	<ul style="list-style-type: none"> Mother Tongue Language*
3	<ul style="list-style-type: none"> Mathematics*
4	Choice of Combined Humanities <ul style="list-style-type: none"> Humanities (SS, Geography) * Humanities (SS, History) *
5	Choice of Combined Science <ul style="list-style-type: none"> Science (Physics/Chemistry)* Science (Chemistry/Biology)*
6	Choice of Electives <ul style="list-style-type: none"> Art Computing (NEW) Design & Technology Principles of Accounts

* Subjects offered at G3 Level for eligible students

G1 Subject Combinations

Subject	Options
1	<ul style="list-style-type: none"> English Language*
2	<ul style="list-style-type: none"> Mother Tongue Language*
3	<ul style="list-style-type: none"> Mathematics*
	<ul style="list-style-type: none"> Humanities* (Compulsory non-examinable)
4	<ul style="list-style-type: none"> Computing (NEW)
5	Choice of <ul style="list-style-type: none"> Elements of Business Studies Science*
6	Choice of Electives <ul style="list-style-type: none"> Design & Technology (1 class) Nutrition & Food Science (2 classes)

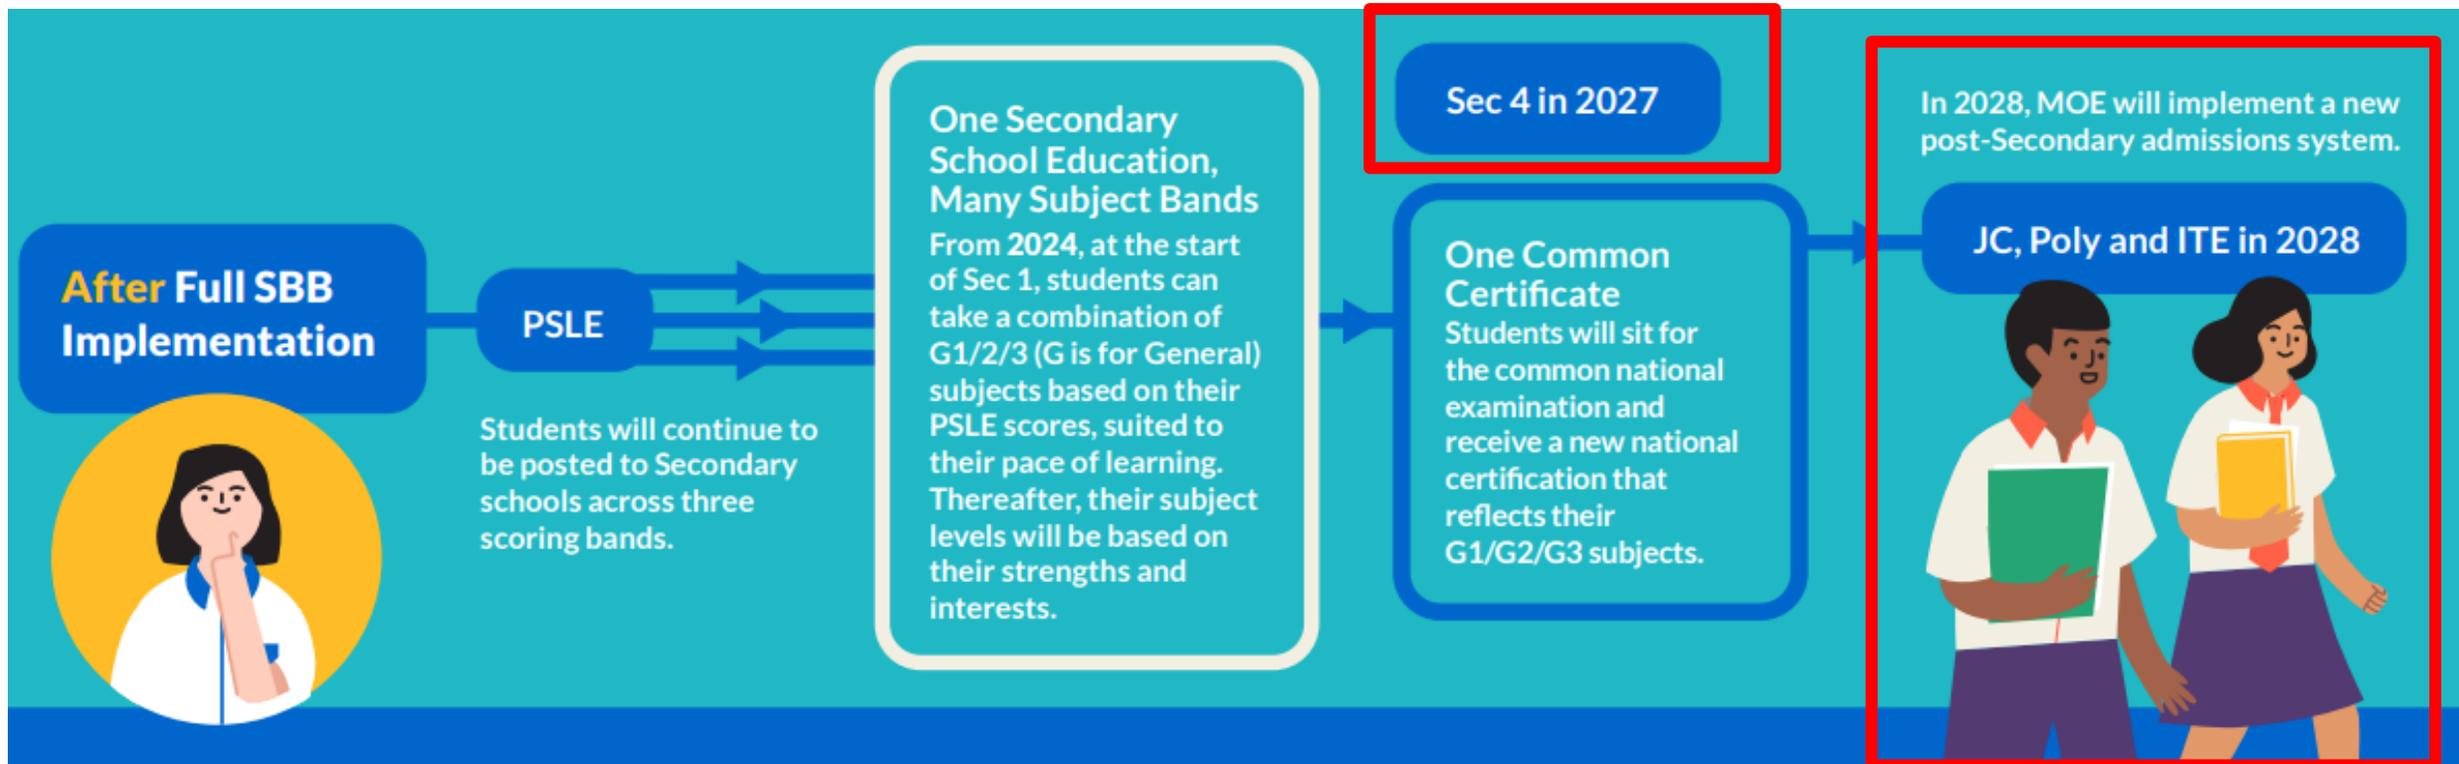

* Subjects offered at G2 /G3 Level for eligible students

Allocation based on merit

Consideration 2: Desired tertiary education & course

Secondary School Experience under FSBB

Minimum Entry Requirements (MERs)

Pathways	MERs*	Minimum number of subjects to be taken
Institute of Technical Education (3-year Higher Nitec)	3 passes mapped to G1 level OR Completed SEC	<p>FIVE</p> <p>More details will be shared by ECG counsellor later</p>
Institute of Technical Education (2-year Higher Nitec)	Completed 5 subjects mapped to G2 level (ELB4/ELR1B3/ELR2B2), 19 points and below	
Polytechnic	ELR2B2 of 22 and below, with ELR2B1 at G3 level and another B1 at G2 level	
Junior College	L1R4 of 16 points or below mapped at G3 Level	

**Subject-specific requirements must also be met / may differ based on specific courses.
Does not include pathways such as Polytechnic Foundation Programme (PFP)*

Respect . Integrity . Self-discipline . Empathy

Allocation Process

Common Criteria for S2 to S3 (pg. 38 Merahan Handbook)

- Pass in EL and **TWO** other subjects
- OR**
- Pass at least half of the total number of examinable subjects offered

Application by student

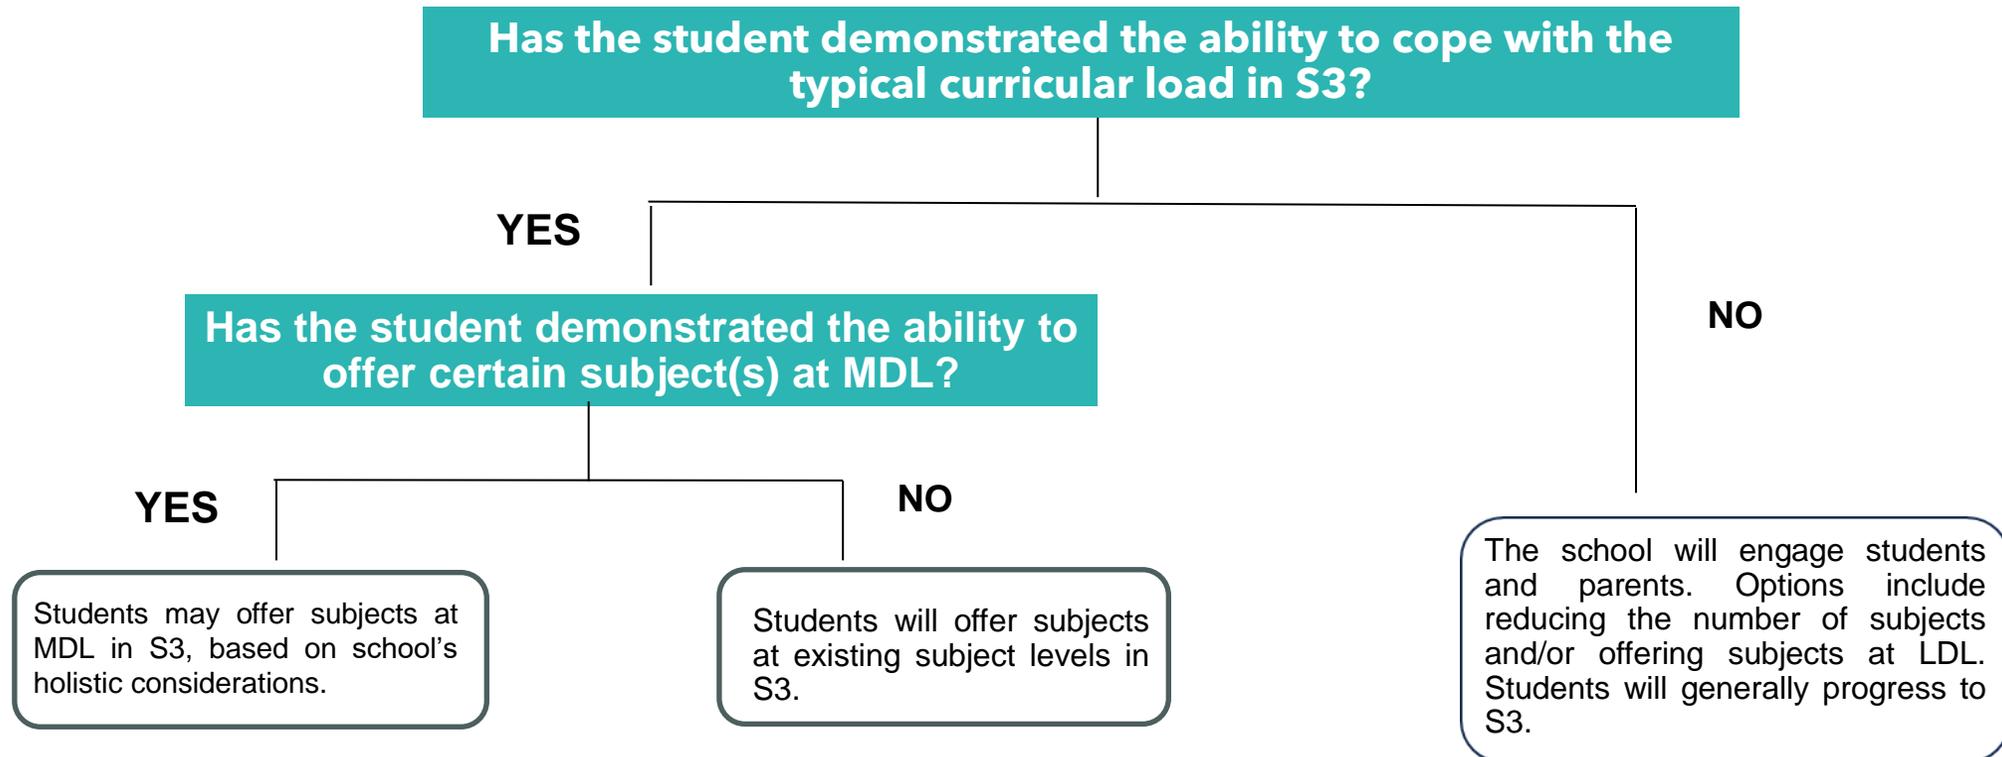

- After the End-of-Year Examinations
- A briefing will be conducted on how to submit your choices

Progression with Full SBB

End of S2

Students can adjust their curricular load the following year, based on school's holistic considerations which include students' subject-specific performance and their ability to cope with all subjects.

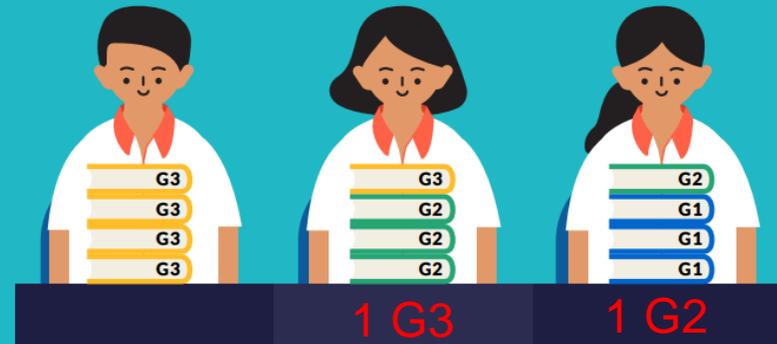

Offering Subjects at More Demanding Level

One Secondary Education, Many Subject Bands

With Full SBB, students can take subjects at G1/G2/G3 academic levels, which are mapped from today's N(T)-, N(A)-, and O-Level subjects respectively.

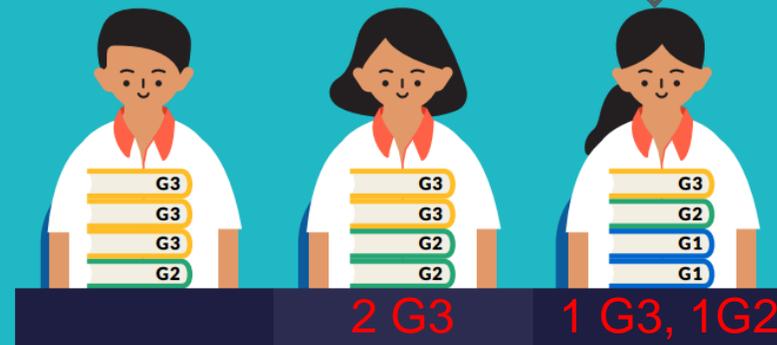

Start of Sec 1

Subject levels are assigned based on PSLE results

Beyond Start of Sec 1

Subject levels depend on students' abilities

For illustration purposes only. Number of books are not indicative of number of subjects taken.

If your child has been offered subject(s) **at a more demanding level** in lower secondary, they should continue the subject(s) at the same subject level in upper secondary.

Principles of Subject Allocation

1. Placement is determined through
 - meeting the **minimum criteria** for certain subjects
 - **professional assessment** by your teachers, including your attitude, strengths and weakness, results and historical trends
2. Subjects which are over-subscribed will be **awarded to students based on results**
3. Subjects will only be offered if a **reasonable number of students** opted for them and there are **available resources**

Appeal by student

- Students and parents will be **given 3 days** to submit an appeal to the school. Appeals should be supported by good reasons (met subject-specific criteria).
- **The school's decision after the appeal is final.**
- **No further changes to subject combination after the appeal phase.**

Subject Information Booklet

Bukit Merah Secondary School

Secondary 2 Subject Combination Information Kit

Year 2025

Table of Contents

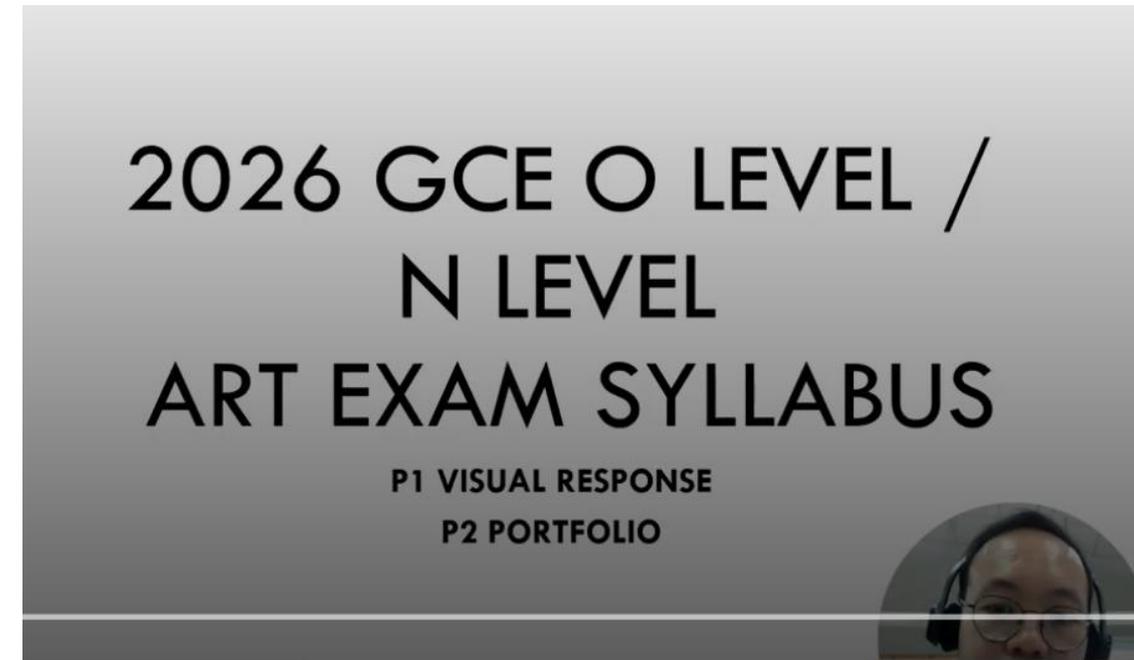

Post Secondary Pathway	2
• Overview	2
• Admission to Junior Colleges / Millennia Institute	3
• Admission to Polytechnic Year 1	4
• Admission to Polytechnic Foundation Programme (PFP)	5
• Admission to Institute of Technical Education	6
• Eligibility to Secondary 5	6
Subject Combinations offered at BMSS	7
Subjects Information	9
• G3 Subjects	10
Subject 4 - Combined Humanities	10
Subject 5 and/or 6 – Sciences	14
Subject 6 and/or 7 – Electives	19
• G2 Subjects	26
Subject 4 - Combined Humanities	26
Subject 5 - Combined Science	28
Subject 6 - Electives	30
• G1 Subjects	35
Subject 5 / 6 – Electives	35
FAQ	39

Video recording

G2 & G1 Computing

G3 & G2 Art

Timeline

S/N	Activity	Timeline
1	Upper Secondary Subject Combination Briefing for students and parents/guardians	April
2	Simulation of Upper Secondary Subject Combination Application <ul style="list-style-type: none"> • Students submit choices online based on Semester 1 results 	June holidays [First Week]
3	Actual Upper Secondary Subject Combination Exercise <ul style="list-style-type: none"> • Briefing conducted for students after end-of-year examinations • Student submit choices online • Subject combinations allocated to students • Students submit appeals [if applicable] 	Oct/ Nov

Ongoing activities:

- Students do online research and discuss with their parents/guardian. If necessary, students can make an appointment to consult ECG counsellor
- Relevant subject teachers clarify student doubts/ share more details about upper secondary elective subjects during the course of their teaching

In Summary

- Consider strengths and interests
- Realistic expectation of ability to cope with demands of subjects
- Consistent academic performance
- Understand future post-secondary options

THERE IS
**NO MAGIC TO
ACHIEVEMENT.**
IT'S REALLY ABOUT HARD
WORK, CHOICES, AND
PERSISTENCE.

Michelle Obama
