## SEC 2 ADVENTURE CAMP

BY BMSS PUBLICITY

The secondary two students started the term bold and bright with a 3D2N Adventure Camp. The hot weather did not deter the students from having fun in their outdoor activities such as the high elements course and Amazing Race.

The students were then challenged to build their own team raft at the beach. It was a fulfilling and meaningful experience as they rafted themselves across the water using the creations of their own hands.

*“The camp was really great! It provided everyone the opportunity to step out of our comfort zone.”*

**– Elliot Shapiro (2E2)**

On the final night, the drizzle did not dampen spirits as each class put up energetic performances. It was a fitting finale to the adventure camp.
