Making Positive Self-Statements	Non-Verbal Behaviour

KEY LEVEL PROGRAMMES

Applied Learning Programme (ALP) in Creative Robotics and Engineering

- Ignite students' inventiveness and develop critical thinking
- Programme mBots to complete tasks and solve real-life context problems
- Refer to the class timetable for the days of ALP lessons

Students. Play. Lead. InTeraact (sPLT)

What

- Platform for students to pursue their interest, in sports, aesthetics and other social activities

Why

- To develop self-directness in students to lead in their own area of interest

When

Every Wednesday mornings from 7.45 – 8.30 am.

How

- Activities will be class-based / activity-based where SMM will be observed

BMSS ATTENDANCE POLICY

**Importance of
attending school
regularly**

1

Leads to better performance in school

2

Increased connectedness to the community and school

3

Develops strong social skills and friendships

BMSS ATTENDANCE POLICY

- Absence from school or school activities must be supported by a Medical Certificate (MC).
- Students are to submit their MC the day they return to school.
 - A sense of responsibility and accountability
- Consequence for **Absence without Valid Reason** can be found in the student handbook **page 20**.

PARENTS GATEWAY (PG)

Functions of PG:

- Connects parents and schools on key administrative matters
- Platform for schools to send updates on programmes and activities to parents
- Allows for parents to perform administrative functions

Please switch on notification function to receive alerts

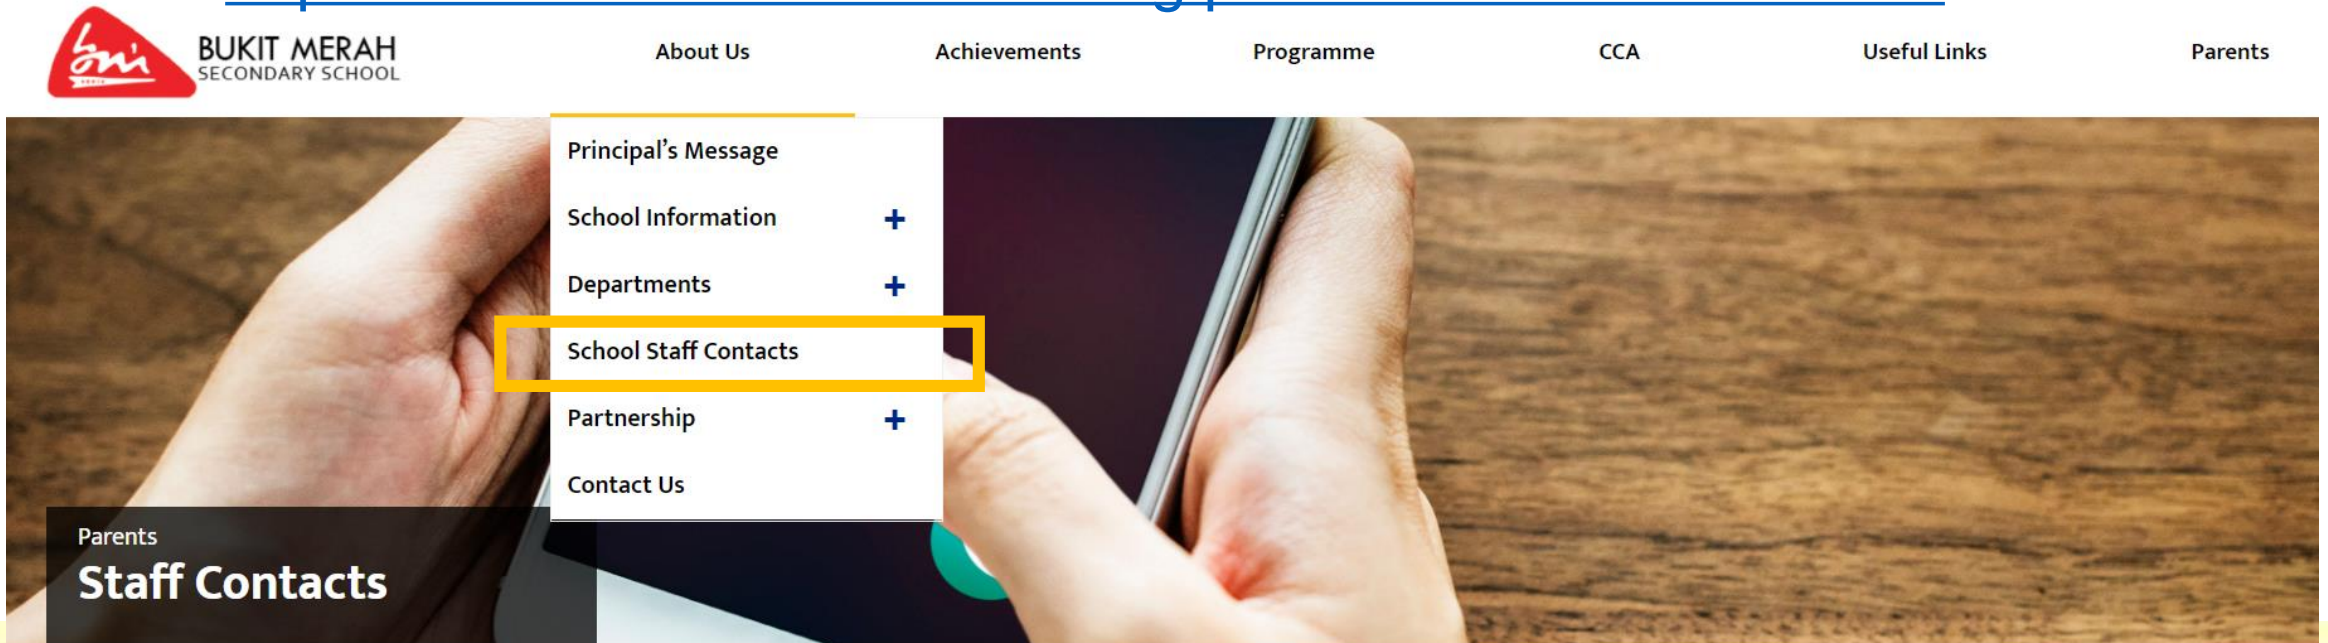

PLATFORMS FOR PARENT-TEACHER INTERACTION

- Term 1 – Online Parent-Teacher Meeting (PTM) on 15 Jan 2022
- Term 2 – Compulsory PTM at the end of Term 2
- We highly encourage parents/guardian to reach out to your child's form teachers or subject teachers, should you want to get updates on your child.

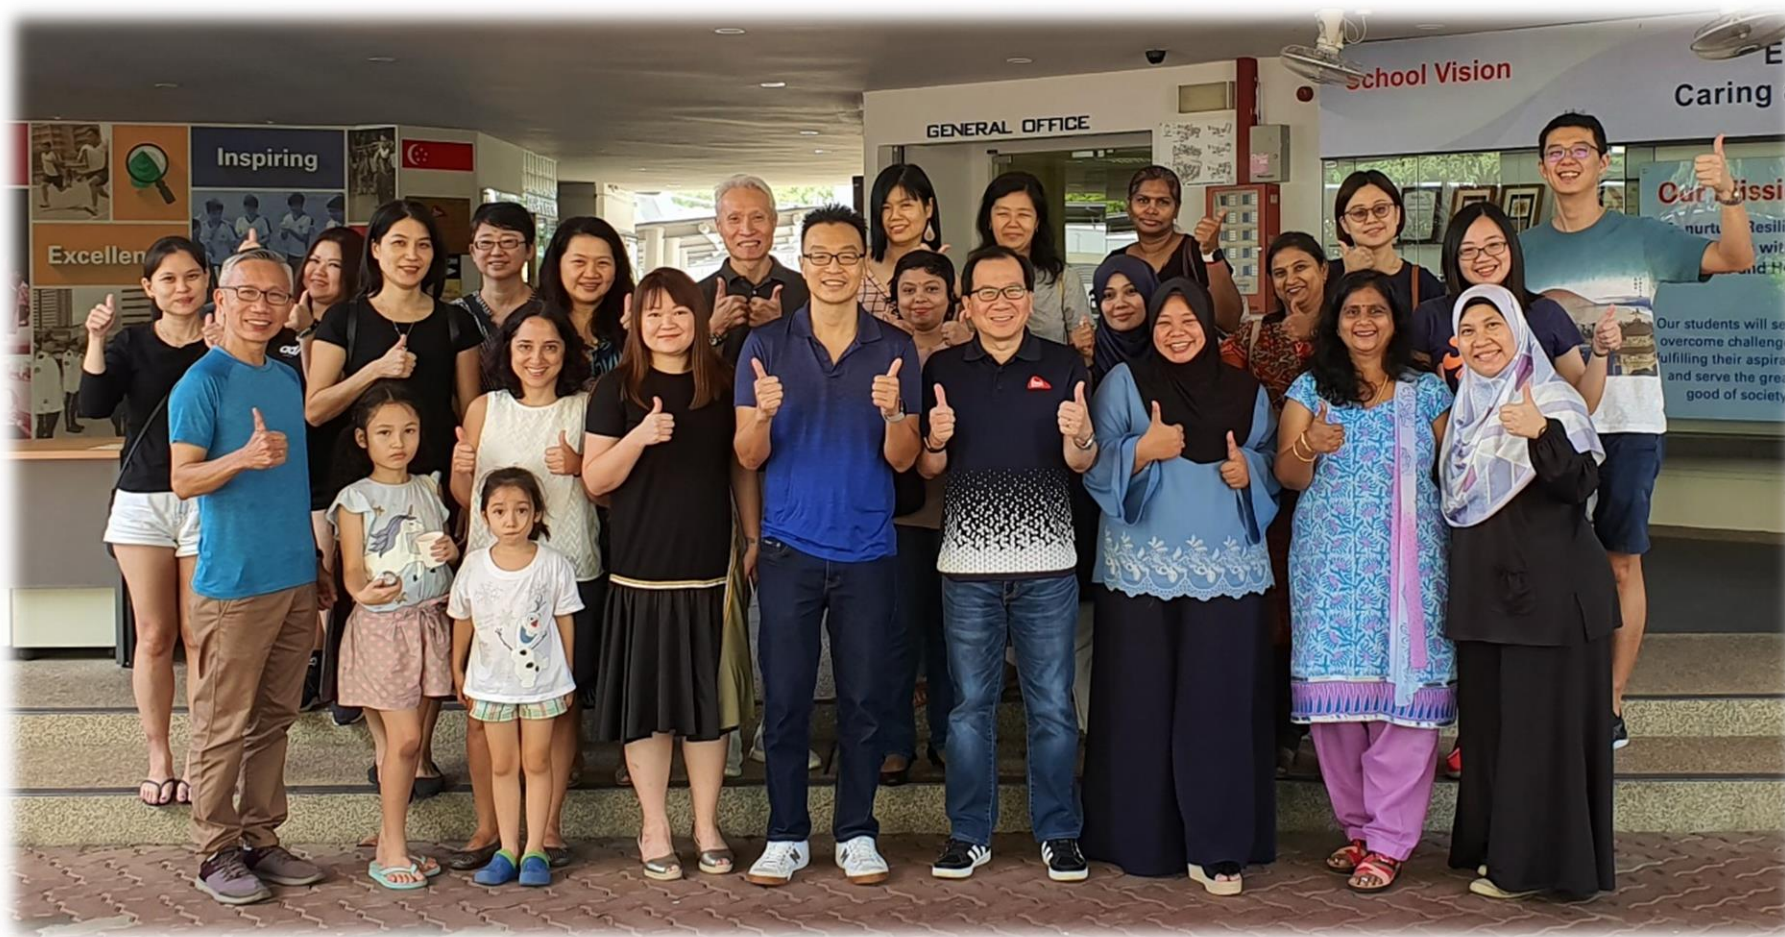

PLATFORMS FOR PARENT-TEACHER INTERACTION

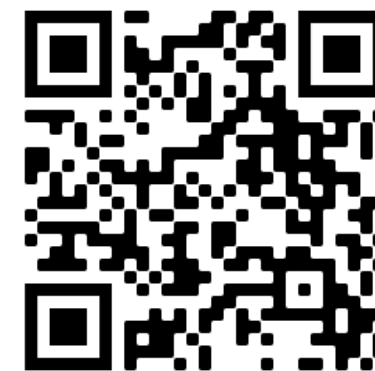

- Emails of FTs and subject teachers are made available on school website.
